VOL. LXIV. NO. 1. REDWOOD CITY, CALIFORNIA, SATURDAY, MARCH 31, 1923 ESTABLISHED 1859

LOCAL CONTRACTORS HAVE BUSY SEASON

L. N. Pollard, the local contractor, now has so many contracts that he is having a hard time to keep up with them. At the present time he is engaged on the following jobs: a $22,780 home for Paul Fay of the Fay Construction Co., at Portola; the Children's Aid Home for Archbishop Hanna on Orange Ave., just off Santa Cruz Ave., Menlo Park, costing $17,680; a home for Stanley Farbes on University avenue, Palo Alto, contract $23,324; and the following three homes in Redwood Highlands, for Paul McCarthy on Clinton street, $5,115; for H. McCall on Duane street, $4,975; and for O. Olsen, of San Francisco, on Elwood street, $4,180.

Homes are now springing up all over town and Redwood City is fast catching up with the general home building move, so general on the peninsula.

News From Other Sections of County

Pacific City

A. C. Lackenbach, head of the corporation owning Pacific City, was in Burlingame Tuesday looking over the property and stated while there that Pacific City will open April 29th or 30th. As April 29th falls on Sunday, it probably will be that date.

Grand-daughter of California's First Governor

The funeral of Harriet M. Burnett, grand-daughter of Peter H. Burnett, first governor of California, took place Tuesday. Services were held at Wiebold's undertaking establishment, 835 Valencia street. Burial was in Mount Olivet cemetery.

Mrs. Burnett died Sunday at her home in the Visitacion valley, San Mateo county, where she had resided for forty-five years.

She is survived by three brothers, George S., of Six-Mile house, 4540 San Bruno road; Armstead D., and Peter H., and a sister, Mrs. Rourrie B. Hutchison.

Bonzagni Lodge at La Honda Reopens

Bonzagni Lodge at La Honda, destroyed by fire last November, has been rebuilt and reopened and many innovations have been added. The whole building electric lighted throughout and covering double the space of the old one, is built on the bungalow plan, the outside being lined with redwood logs in their natural state. It contains a Lanaii dining room inclosed in glass, large banquet hall with maple floor for dancing; three private dining rooms, rustic log finished smoke and cardroom, two huge fireplaces, icecream and delicatessen room.

Hark! Hark! Here's a Voice From Menlo Park

Editor The Chronicle—Sir: I wonder why the newspapers, magazines and the public in general speak of the United States Veterans' Hospital as being in Palo Alto. Our Chamber of Commerce had better wake up and let the public know that the United States Veterans' Hospital is in Menlo Park, San Mateo county, California.

GOOD PROGRAM FOR CHAUTAUQUA

Musical, Literary and Educational Numbers Will Prove Entertaining

A wealth of musical and entertainment features, and a lecture list that will open up many new lines of thought and observation, is indicated from the advance information just received from Ellison-White concerning the coming Chautauqua program. The dates for the 1923 Chautauqua have been definitely set for May 2nd to 7th.

"The Shepherd of the Hills,' Harold Bell Wright's much loved story of the Ozark mountains, and one of te greatest American plays will probably draw one of the largest crowds of the week It is to be produced by professional players coached by Keighley and Peffer of New York.

Another outstanding entertainment feature is to be found in the programs of The Patton Brothers. Three clever, entertaining young men—brothers— full of "pep" and enthusiasm, present their unusual musical-entertainment in specially costumed "episodes"—Russian, Old Fashioned, Religous. Popular, Oriental and Patriotic.

Then there is the Lombard Entertainers in two well chosen programs of operatic selections, popular songs, readings, monologues, piano-logues and whistling solos. Harry Lombard, baritone, has few equals in musical comedy among Lyceum and Chautauqua artists.

Hedaing the lecture list is Norman Allan Imrie, keen student of modern Government and International problems. He was until recently instructor of Modern History at the Culver Military Academy. In his lecture, "Working Together for Billions," he gives a clear survey of the history of the English Speaking people and the problems which confront them today. Of the greatest educational worth is the travel lecture given by Norman V. Pearce, who tells of his native land, "Australia, the World's Curiosity Shop." Other prominent names found in the list of lecturers are: Dr. Henry Gains Hawn, who is a nationally recognized authority on oral English; and D. Pirie Beyea, an interesting, forceful speaker who discusses community welfare from the point of view of good business and good health.

That the musical end of the program has not been slighted is evident with such organizations as the following on the dist: The Sam Lewis Concert Party, featuring Sam Lewis, dramatic tenor; The Oceanic Quintet and the Garner Jubilee Singers, the finest company of Jubilee Singers in America.

A special event of importance has been planned for the children this year—The Magic Lunar Circus —a real circus in which every Junior Chautauquan will have a part. More detailed information will be given out later. Get ready for the Circus, children!

The Passion Play of Santa Clara

"The Passion Play of Santa Clara," by Clay M. Greene, is like the world-famous Oberammergau story of the Passion, to become a permanent institution, to be presented at fixed intervals by the associated students of the University of Santa Clara. Decision to continue the presentation of Greene's remarkable classic was made by the faculty of the old mission college recently, and it is believed that the sacred masterpiece is to be produced every five years with a student cast of over 150 participating.

Following the premiere of the play in 1901 and the splendid revivals of 1903 and 1907 insistent demands that the elaborate production be again staged this year has led the Rev. Zacheus J. Maher, S. J., president of the university to announce that after consideration by the faculty and student body the fourth presentation of the great drama will be witnessed this spring.

Martin V. Merle, distinguished Santa Clara alumnus and director of the earlier presentations of the Passion Play, is to be director-general for the approaching production. The play will be presented in the University of Santa Clara auditorium Friday evening, April 27; Saturday evening, April 28, and Sunday evening, April 29. The entire production is to be taken to San Francisco for presentation in the Exposition auditorium May 4, 5, and 6.

Doxsee and Kellogg Elected

The school election in the Redwood City Grammar School district resulted as follows: Elementary School trustee, C. M. Doxsee, 389; High School Trustee, E. H. Greeley, 69; Walter Kellogg, 317.

Most of the business houses of Redwood Cty were closed from 12 to 3 o'clock yesterday afternoon on account of Good Friday.

WOODSIDE CHIRPS

April is the month in which most of our summer residents return to become our neighbors for another sesaon. E. R. Dimond plans to occupy his home here shortly after the first of the month; the Fleishackers have returned to their San Francisco home from Santa Barbara, where they have spent the winter and expect to be at their Woodside home during the comng month, and Lawrence Harris will arrive before the first of May.

Julian Garric has opened a Tea room at the top of the Woodside grade to cater to the wants of the local population as well as of our many Sunday and holiday visitors.

The Easter services at our community church have, as usual, been put in charge of the Sunday School and the children have prepared an elaborate program of song and recitation and tableau that should prove very interesting.

Mrs. John D. Gish has been called to San Francisco to carry the solo parts in the Easter music for Trinity church.

An unusual amount of interest is being displayed over the election of school trustees. The keen rivalry between candidates on both the local and the high school boards has brought out a professional brand of campaigning quite at variance with the sleepy, character of such elections in the past.

If it were possible for the inhabitants of the snow burdened blizzard tossed East to look, as I did on Monday, from the Los Gatos hills out over the Santa Clara valley, our promotion committees would be swamped with work. One might search long and in many lands to find a finer day or a more beautiful scene. The soft breeze, the drowsy hum of the bees, the songs of many birds, the pervading odor of the fruit blossoms, the well kept orchards, and the splendid panorama of hillsides and valley, all seemed to blend into as close a semblance of the storied Eden as this age is entitled to see. One wonders what superlative adjectives would satisfy those masters of advertising, the Southern California real estate men, if they had such a location to describe.

Mr. and Mrs. William Fitzhugh have opened their place at Woodside for the spring and summer, and from now on will spend much time there.

Mr. and Mrs. Douglas McBryde are other Woodside residents who are established there, after passing the winter in town. They rented an apartment on Russian Hill for the season.

Mr. and Mrs. Prentiss C. Hale have a large piece of property at Woodside and are planning to build a house this year. The place adjoins the Jackling estate. The Jacklings have kept their house at Woodside open all winter, and have spent week ends there. On their return from the East they will go there for the entire summer.

Booster Banquet at Runnymede

The big booster banquet held at Runnymede by the Peninsula Fair Association was the most enthusiastic meeting of that organization yet held. Every community was well represented, and speakers were heard from all points of the counties represented. Redwood City was represented by about five boosters, and among the speakers were Frank Towne and Chas. Lambert.

Interest in the coming fair is keen throughout the counties of Santa Clara, San Mateo and San Francisco, and according to reports the tent of 1000x100 feet wil be none too large to house the great number of exhibits of manufacturers, producers, etc., who are anxious to obtain space at the big show.

Highland Boys Defeat Oak Grove

The Redwood Highlands baseball team defeated the Oak Grove nine Last Friday in an exciting game of baseball on the local diamond. The score was 11 to 10.

The boys of the Highland's club are planning to give a dance on the 20th of April, the proceeds of which will be devoted to securing equipment for tne baseball team Next Tuesday afternoon at 4 o'clock they will cross bats with the Sequoia Midgets, and from the way both teams are practising, the boys will play an interesting game.

Youths Jailed For Vagrancy

Jack Willson and Harry Herman, two vagrants picked up by police officer, McAuliffe, Tuesday night, were each sentenced to thirty days in jail by Justice of the Peace Griffin yesterday.

WILL TAKE SHIP LOAD OF GOATS TO SOUTH AMERICA

Miss Irmagarde Richards, of Montara, has been Officially Commissioned by the Argentine Government to Buy Toggenburg Goats for that Republic

Miss Irmagarde Richards of Montara, San Mateo county, a sister of Mrs. Alice Hand, a former teacher of Sequoia High, has the distinction of being the only accredited goat buyer for a foreign government in the world. Miss Richards has been authorized by the Argentine government of South America to purchase pure train Toggenburg goats and bucks which she will take to South America in a specially chartered ship.

Miss Richards, who was for a time professor of Greek in Mills College and later a public school teacher of this county, went into the goat business at Montara with Miss Morris Wagner, daughter of the well known publisher and lecturer, Harr Wagner The young ladies quickly developed a fine business in the coastside town and their fame spread afar. Recently they sent a car load of their goats east, and now come the new honors.

It is interesting to note that years ago a swiss traveler named Toggenburg took a fine strain ibex from Argentine to Switzerland and bred it to a Swiss milk goat. Every pure strain Teggenburg can be traced to that Argentine ibex. Today the movement is back towards its source. Miss Richards will take a ship load of Toggenburgs back to Argentine. A good Toggenburg goat is worth its weight in real money and the strain is the finest milk producer of any known animal.

WET CARGO CAUSES DRIVER'S ARREST

When the cargo of a truck driven by Albert Raymond of Stockton was inspected by Chief of Police Collins last Tuesday it was found to consist of 49 cases of genuine Dewar and MacDonald Scotch wiskey. The liquor was taken in charge by the police and the driver put under arrest. Upon appearing before City Recorder Albert Mansfield, Raymond plead guilty to transporting liquor illegaly and to having it in his posession illegaly and paid a fine of $250 on each count. The liquor, valued at about $3,000 is being held by the police pending its destruction. Raymond is said to have been on his way to Sacramento with his wet goods when apprehended.

Chauffeur Given Prison Sentence

Orville A. Hylton, a chauffeur formerly employed by J. J. Graves of Woodside, was taken to San Quentin from the local jail, following his having plead guilty to driving an automobile while intoxicated. Hylton was arrested some time ago as a result of a collision between the car which he was driving and one driven by Peter McInnis of Mountain View which resulted in the serious injury of Miss Alice McInnis who was riding with her father in his car.

Hylton was given an indeterminate sentence by Judge Buck, before whom the case was heard. He was advised to plead guilty by his attorney.

Addresses Down Town Club

Chas. G. Lambert was in the city Thursday and addressed the San Francisco Down Town Club, urging co-operation of the San Francisco merchants in the Peninsula Fair Association's big Peninsula Pagaent. In his address to that civic organization, Mr. Lambert called attention to the great possibilities of the peninsula and called attention to the fact tha the people from souh of the Tehachapi had so far been the ones most anxious to reserve space for advertizing and exhibits. In urging the merchants of San Francisco to take advantage of this opportunity so near at hand Mr. Lambert humorously remarked that we want to work with San Francisco, we do no want to be made a suburb of Los Angeles.

Grizzley Bears Growl Sunday

Redwood City will see its first baseball game of the season when the Grizzley Bear Leagues of the N. S. G. W. opens at Highway Field next Sunday. Redwood Ctiy will take on for the initial contest the fast San Jose team. The locals will have a strong line-up, with G. Torres, who pitched here last season on the firing line and Dexutcher behind the bat. Others in the team are "Hawk" Herm, Lisle Winter, Henry Beeger, Joe Britschgi, Frank Haydock, Harold Bozzo, Hoadley Adams and Lammie Green. The team will appear in brand new uniforms that have just arrived. The game will start at 2:30 sharp and a record crowd is expected.

The other teams in the league are Menlo Park, Palo Alto, Mt. View, San Jose, San Mateo, Half Moon Bay and South San Francico. Menlo Park and Half Moon Bay will play at the latter place; Mt. View will go to Palo Alto and South San Francisco will cross bats with the San Mateo team on the latter's diamond.

AUDITOR SHIELDS GIVEN SURPRISE

County Auditor J. J. Shields had a birthday last Sunday. Now, John J. was not bragging about the fact, but some of the members of the family remembered that he used to celebrate on March 25th, so they decided to revive the custom. Accordingly E. Stack, Mrs. Frank Pohl, The Misses Christine, Rose and Marion Stack; James Stack of Burlingame; Daniel G. Farley of San Francisco and Mrs. J. J. Shields, Frank and Gerald Shields surprised the genial county auditor and treated him to a fine spread and a wonderfully pleasant evening Now John J. is sorry his birthday doesn't come oftener.

Local Banker Honored

The quarterly session of group three, California's Bankers' Association was held in San Jose last Thurday, Friday and Saturday and closed by adjourning to the Blossom Festival at Saratoga.

Many matters of interst to the banking fraternity were discussed and able addresses were given by D. C. Moore and Cyrus Pierce of San Francisco, L. M. Maynard of Los Angeles and Congressman Arthur M. Free of San Jose.

At the annual election of officers held Saturday Mr. Frank K. Towne, cashier of the First National Bank of this city was elected president This is a great honor for Mr. Towne and one to which he is justly entitled.

Hiking Club Enjoys Outing

The Wiffle-Poofs Hiking Club held its initial excursion last Sunday, March 25, at Muir Woods, Marin county. Those attending were young men from Redwood City, Menlo Park and San Carlos. The party left Redwood City Sunday morning and returned late Sunday night. The most important event of the hike was the wonderful barbeque "feed" that the hikers ate among the Redwood trees at Muir Woods. The party returned to San Francisco early in the evening and attended a theatre party in a body. The trip was very enjoyable to all. Those who attended were: Maury Cowgill Clement Hallett, Robert Felton, Kendall Mabie, George MacDonald, Neal McGettigan, and Albert Z. Kurtiz of Menlo Park.

Appointed District Nurse

Miss Loretta M. Self, who is now employed as a norse in the Stanford University hospital, San Francisco, has been selected by the local school authorities to take up the work of district nurse, which was recently held by Miss Cora Clute. Miss Self is regularly certified for school work and comes highly recommended. She received her training in a San Francisco hospital and has done both private and hospital work. She was in the Government service during the war, and was for a time connected with the Mills Memorial hospital at San Mateo. She will have charge of the health work in the San Carlos, Redwood City, Menlo Park, Ravenswood, Las Lomitas, Woodside and Portola schools.

Miss Self is a sister of Mrs. J. H. Stubbe of Runnymede and will for the preent make her home in Runnymede.

Clarence Rowe of San Gregorio was a Redwood City visitor last Thursday.

REDWOOD CITY NOTES

Miss Edna Holroyd, librarian for San Mateo county, was in Sacramento this week visiting the State Library and discussing the library situation with the State Librarian and other county librarians. Miss Holroyd's work has been severely hampered by a recent court decision as she is now unable to get adequate assistance in her work and one person cannot handle all of the correspondence and secure and send out books, make repairs and attend to all of the duties in a county such as San Mateo. It is to be hoped that the county authorities will find some means of helping her.

Bovard Lalande was over from Berkeley, Tuesday visiting his mother. He is now a senor at the University of California and is registered in the geology department.

Miss Inez Feliz, a member of the school department at Pittsburg, is visiting her parents, Mr. and Mrs. Jos. Feliz at their home on the De Las Pulgas avenue.

Dr. N. C. Cummings, who recently sold his home on Washington street to Mr. and Mrs. P. Eberle, has purchased the beautiful home of L. D. Mills, 35 King street, Redwood Highlands. Mr. Mills has just completed a home in Palo Alto into which he will shortly move.

Alphonse Macais who has resided here for some years past with the Mrs. M. Swift family, left on Wednesday for Baltimore to join his father who resides there. Alphonse or Nebo as he has been called, is a sophomore at Sequoia and is a member of the championship 130-pound team. His golden basket ball will be sent to him.

The Flores family moved to Oakland last Saturday. Dick Flores one of Sequoia's good atheletes and a member of the championship 130-pound team will be missed by his classmates.

Fred Myers, son of John Myers, of the Five Points, who has been employed in the Anglo Bank, San Francisco, for the past six years will enter the employ of the local branch of the Bank of Italy next Monday He will take the place of Ed Cochrane, who has been in the local bank for the past six months, and who as decided to follow some other line than banking.

Miss Mancella Geary of San Francisco is spending the week as the guest of Dr. and Mrs. G. D. Marvin at their beautiful home on Edgewood road and Ashley avenue, Wellesley Park.

Mrs. A. W. Pike is shipping her horses to the Santa Barbara horse show. Mrs. Pike will show her chestnut mare, Golden Lass, which has won several championships and many blue ribbons in Eastern shows. She will also show Mrs. Phil O'Connell's hunter, Content.

Oscar Oleson, who is attending the University of California, was a week-end visitor with his parents on the Woodside road.

A number of Scottish Rite Masons from Redwood motored to San Jose last Thursday to attend the banquet of the Rite there.

Mrs. Ellen R. Bell and her two sons, Frank and Jack, of San Gregorio, were in town Thursday.

Reuben Elvin, a former resident here has been visiting friends in Redwood City the last week.

The Ladies' Circle of the First Congregational church will hold a food and apron sale at Woodham & McNeil's store, Saturday, April 7th.

Mr. and Mrs. Nicholas Driver, Miss Nellie Driver and Miss Edna Secker were visitors at the home of Lillian Armstrong last Thursday.

Sixty-Three Years Old

Last week the last issue of Volume 63 of the Times-Gazette was published and today is the first issue of Volume 64. Started as it was in 1859, the Gazette has been issued continuously every week since that time not even being interrupted by the earthquake of '68 or '06. A glance through the various volumes of the Times-Gazette opens up a fountain of history which is unequaled in the county. The building of the railroad to San Jose; Lee's surrender; and the shooting of Mc Kinley, all are told in these old files; and of local happenings, in the early days of the county there is almost endless store.

With a record of 63 years' continuous publication, the Times-Gazette may be ranked among the oldest papers of the state. For many years it was the only paper published in San Mateo county, and at that time was the only source of general as well as local news available in the county, as the San Francisco papers were not developed then as they are now. The Times-Gazette formed also the current literature for the early settlers, and devoted much space to the current fiction of that time.

PROSPECTS BRIGHT FOR PENINSULA OIL

Drilling Operations Result In Gas Flow; Well Being Cemented

According to word received from the well now in course of drilling by the Elk Hills Oil Company at the head of Purissima canyon, the work of drilling was stopped yesterday because of the quantity of gas which has started to pour from the well. The bottom of the well is now being cemented up to prevent water entering the well and drilling will be recommenced as soon as the cement has set. It is estimated by the experts who are at work on the rig that the vein will be tapped within six feet. The presence of the great quantity of gas is said to indicate the proximity of a large body of oil under presure. The well is now at a depth of 468 feet. Although oil on the coastside has long been a certainty, this well has shown better indications of producing in paying quantities than any so far drilled, and is being watched eagerly by other oil prospectors. The present indications have caused quite a flurry in oil rig building in the vicinity of Purissima canyon, and it is expected that eight or nine rigs will be under construction within the next few days.

Petition Seeks to Invalidate Will

A demurrer of the petition to declare invalid the will of C. Fredrick Kohl, Burlingame millionaire, was filed Thursday with Superior Judge George H. Buck, at Redwood City, by the Mercantile Trust Company, executor of the Kohl estate. The petition for invalidation was filed recently by Harry Hunter and Leon Derter of Philadelphia, nephews of the deceased. Hearing will be held in five days.

MRS. ALICE BEDELL PASSES AWAY

Mrs. Alice Bedell, who has lived in Redwood City for the past fifteen years, passed away Wednesday night at ten o'clock, after an illness of nearly two years. Mrs. Bedeel was a trained nurse and came to Redwood City to care for the late Mrs. David Sampson. After Mrs. Sampson's death she remained to make her home here. Two years ago she suffered a paralytic stroke which confined her to her bed for several months. She partly recovered from this but last week she was stricken on the left side and it was seen that she would probably be unable to withstand the shock of the second stroke.

Mrs. Bedell was born in Marysville, nearly fifty-five years ago and grew to womanhood on her father's ranch near Williams, Colusa county. As a young woman she was married to Dr. Geo. Bedell, who pased away about twenty years ago. Six years ago her mother, the late Mrs. Ware, came to make her home with her daughter and died in 1919.

She is survived by a sister, Mrs. Marian Essig of New York, who was with her when she died, and a brother, George Ware of Williams.

The funeral will be held Monday from the Congregational church and interment will be in the Oakland cemetery, beside the remains of her late husband. Rev. C. H. Stevens of Lodi will conduct the services.

Mrs. Bedell made many friends while residing in this city. She was always ready to help whatever the emergency might be. She was a good Christian woman and will be missed by her family and friends.

BIRTHDAY PARTY

Frances, youngest daughter of Mr. and Mrs. H. O. Williams of Cedar street, entertained ten of her little friends Thursday in honor of the occasion of her seventh birthday. Those who enjoyed the hospitality of the little hostess were: Jacquelyn Brown, Virginia Sahlberg, Evelyn Wells, Alfretta Lawrence, Gertrude Perry, Meryle Gean Martin, Roberta Long, Edith Grimmenstein, Marian Allguire and Mary Stone.

TOWN TRUSTEES

We haven't heard yet who the fifth member of the Board of Town Trustees will be. We haven't seen anyone out after the job with a petition, but we know four or five men who would be good material. Our own idea of the matter is that when our articles of incorporation say that there shall be five trustees some of the members of the board are not doing their duty when they should exercise their appoining power.

SAN FRANCISCO'S SCHOOL PROBLEM

The Board of Education of San Francisco is now engaged in the task of selecting a superintendent for the city school system. The president of the board recently went east and investigated a number of Eastern educators.

It would seem that a Californian should be selected for this important position. The United States government says that California has the best school system in the world. If this is so, and we believe it is, there should be someone here who understands local conditions and local courses of studies who could carry on the work.

Mr. Archibald J. Cloud who is now serving the city as a temporary superintendent, could fill the bill. Charles C. Hughes, who grew to manhood here in Redwood City, and is now head of the Sacramento City school system. could do the work. There are eight or ten men right here in California who could make good in San Francisco with but slight readjustments of present conditions. Los Angeles didn't go east when it picked a superintendent three years ago. San Francisco should have more faith in the products of our own institutions of learning and take a Californian.

THE LEGISLATURE

The California Legislature now in session has many serious problems confronting it. Recently we attended a session at Sacramento and found the lawmakers busily engaged in their business of law making. The legislators not only work in the Assembly and Senate chambers during the day time, but night after night they are conisdering bills in committee and giving serious thought to proposed legislation.

San Mateo county is ably represented in the State legislature. Mr. Eksward is still confined to his wheel chair and so cannot be as active as he formerly was, but he frequently takes part in debates and is chairman of the committee on reapportionment which is one of the most important in the lower house.

In the upper house Senator M. B. Johnson is one of the really big men of the session. He is on a number of important committees, is listened to with respect and attention when he talks and is one of the hardest workers in the senate. He has proposed a number of good bills, is a leader among the progressive element and can be counted on by the ones who have constructive measures to present. San Mateo County can be proud that it has contributed Senator Johnson's services to the State.

THE MASON RECLAMATION BILL

Senate Bill No. 447 which provides for the development of the marsh and overflow lands of San Francisco and San Mateo Counties was sent to the Times-Gazette office this week. At first sight this would appear to be a wonderful thing for San Mateo county, as our big neighbor to the north is to help with the costs, and most of the land reclaimed will be in our county. But on careful reading it develops that a board of five members must be selected and unless by unanimous consent three shall be from San Francisco and two from San Mateo county. The electors who shall select this development board is composed of 19 San Franciscans and 18 San Mateo County citizens. The district to be assessed is all of San Francisco that portion of San Mateo county east of the Skyline boulevard. The board of control must each year submit a tax which cannot exceed 15c on the taxable property of the proposed district. But the board may also issue bonds which are redeemable within five years. These additional bonds may be issued for an indefinite period. Further than this, property which is improved can be assessed a reasonable part of the costs and the board of control determines what part of the cost is reasonable.

Thus we find a board which will be a San Francisco board if the majority cares to act, which will have the right to fix taxes in San Mateo county, issue bonds guaranteed by San Mateo county realty and assess costs that must be borne by San Mateo County property.

Further than all of this the board of control shall have the power to appoint employees and sub-committees and fix their compensation. This might make another lot of good jobs.

If anyone objects to the improvements and one district upholds the objection, the matter can be referred to the whole district. Here again San Francisco with its big vote can out number San Mateo 50 to 1.

Personally we are for the reclammation of our marsh lands, but we are not for Senate Bill No. 447. If there is to be any taxing and assessing we believe San Mateo county should attend to its own and let San Francisco do likewise.

TARIFF AND TAXES

Remember that every cent which the new tariff law brings into the federal treasury, is just that much which will not have to be raised by direct taxation. We have to pay President Wilson's staggering debt and that's all there is to it.

SAN CARLOS ITEMS

Mrs. A. Rose of Utah, who has been visiting the interesting places along the coast in California, has stopped over at San Carlos for a visit at the home of her nephew, W. C. McElroy.

W. H. Nixon, manager of the C. C. Morse trial gardens here was in Salinas all of last week looking after special planting on one of the large Morse ranches in the Salinas valley.

The people of San Carlos are just beginning to realize what a big institution the Pioneer Wrecking Company is. Tearing down big structures such as the old speedway, and selling two or three million feet of the undamaged lumber and timbers and a few thousand cords of wood from the broken timbers, means the establishment of a big wood and lumber yard here for several months, or until all of the wreckage is disposed of. In dsiposing of this vast amount of second hand lumber it is necessary for Nutting, and Volva, of the Pioneer Company, to turn over three of four hundred thousand feet of new lumber in order to be in a position to take care of the needs of all of their big customers who want lumber by the car load, or more than car lots. This, is in order to supply timbers and lumber of all kinds and sizes, so that their customers won't have to go eleswhere to complete their order. Dimensions they are short of in the old lot, they make up from the new timbers shipped in from Oregon points.

Mr. and Mrs. John R. Lopes, the popular and prosperous ranchers who live just outside of the Redwood City limits, on the old county road have always taken a lively interest in the affairs of our progressive little city. And although they live over a mile distant from San Carlos, yet as they are located within our voting precinct and our school district, they never fail to come to the polls and cast their ballot for or against any proposition or candidate which they may think is good for, or against the interests of our little city. Mr. and Mrs. Lopes are looking forward to the time when San Carlos will develop into a municipality and their home will be included within our city limits. It is from such thoughtful, pains-taking and active residents that we hope to have our citzenry built as our town expands from year to year.

It has been authoritively reported that a wealthy widow, a Mrs John Doe, is to build and present to the people of San Carlos a substantial and artistic building to be used as a city library, in the very near future. This handsome and enduring monument is to be located on lot 11-C, block 10, on Laurel street, at the entrance to Corporation alley, and just in front of the corporation warehouse, which is locaed on the rear of the same lot. We have been assured that this beautiful library building is more than a real estate agent's pipe dream, on blue print, and that it is to be an actuality before we add many more gray hairs to our already abundant shock. This will be received as a very welcome gift from the literati of our little colony.

Mrs. J. W. Davis and her little daughter, Miss Mary Elizabeth, of the San Carlos apartments left last Monday for a week's visit with friends and relaitves in Vallejo.

Mrs. Chas. Leidig of San Francisco was here one day last week looking after her San Carlos property interests, which are in the hands of Lambert & Walter, with headquarters at Redwood City and branches at San Carlos, Burlingame and other important centers.

Leonel Bosch of San Francisco has leased the F. W. Lippman cottage at "Laurel Nook" and has moved his family to San Carlos to enjoy our delightful summer climate.

Chris De Velschow has purchased the C. S. Carr cottage on Cherry street and has moved his family from Burlingame with the expectation of making San Carlos their permanent place of residence As the De Velschow's have lived here temporarily from time to time, and are well known by the people of San Carlos, they will be very welcome additions to our little city

Fred T. Odgers is already reelect-elected school trustee, if all of his score of friends go to the polls and do their little duty.

At the adjourned mass meeting held at the auditorium last Tuesday night the boundary lines for the sanitary, fire and lighting districts were definitely decided upon and the committee, Sesnon, Null and Drake, who have been in charge of the work since the inception of the movement, were instructed to proceed with all haste possible to arrange with the district attorney and the board of supervisors to put the matter in shape to be put to the vote of the people with as little delay as possible, Previous to the meeting, the impression had gone out that the names of only five persons, as candidates to fill the five places as trustees of the sanitary board, and one name to fill the place as assessor could accompany, or be filed with the petition for a sanitary district. But as our semi-city attorney, is always bitterly opposed to political slates, or anything that smacks of such, he promptly proceeded to read that provision of the law respecting the election of sanitary trustees and an assessor. All that was necessary was to secure the names of five legally qualified electors to said petition and file the same with the clerk of the board of supervisors twenty days previous to said election. So, when all of the cards were placed face up on the table, the meeting could now proceed with the straw ballot, for the purpose of allowing those present to select five whom they desired to petition for as candidates. The names of those chosen at the meeting G. F. Walker, 23; T. D. Ruggles, 20; Dr. J. G. Null, 21; and W. J. Scott, 19. From the present outlook it is very evident that there will be from three to five other candidates, who will file their petitions independently, to run against those who were nominated at this informal convention. John E. Cowgill, president of the volunteer fire department, was chosen as chairman of the evening

BAPTIST CHURCH

Easter Day will be fittingly observed. In the morning at 10:30 there will be a general service in which the Sunday School and preaching service combined. Interesting parts by the children, a solo by Mrs. H. R Montgomery and talk by the pastor. In the evening at 7:30 the thought of Easter will be continued by appropriate music and address. It is hoped that the general public will honor the fact of the Resurrection of our Lord by attendance upon the House of Worship on this "Glad Day."

Our nation has 264,233 miles of the 730,988 total rail mileage of the world. Germany is next with 39,600 miles, and Canada is third with 39,058 miles. The figures for the United States do not include our territories and possessions.

by 250%

On a busy Los Angeles street corner a checker stood and asked 150 passing motorists "Which gasoline do you use?" 63 answered "Red Crown," as against 18 for the next highest brand—a lead of 250%.

Because "Red Crown" is an all-refinery gasoline every drop of which vaporizes rapidly and uniformly in the carburetor, and is completely consumed in the cylinders, giving quick starting, smooth acceleration and maximum mileage, "Red Crown" is *the* popular motor fuel everywhere.

Cleaning Without Odor by the
F. Thomas *Process*

Our many years of experience has taught us that it is impossible to do perfect cleaning with cheap, inferior methods. That is why we found it necessary to invest nearly $500,000 in the equipment of a plant and the establishment of an expert organization to do the quality of work demanded by our customers.

With the "F. Thomas Process" we not only remove every particle of dust but we return your garments without that usual disagreeable smell of gasoline. Every drop of gasoline we use in cleaning is redistilled and very highly refined.

Raw gasoline—the kind that you buy for your automobile—is full of heavy oils and unfit for cleaning fabrics. It is little better than ordinary distillate and leaves a sickening "gasoline" smell in your clothes

P. G. & E. TO BUILD NEW LINES

Reconstruction of power lines serving Woodside and Menlo is about to be started according to announcement made by Walter T. Kellogg, district manager of the Pacific Gas & Electric Company.

Owing to the rapid development in these sections, the demand for electric energy has increased to a point where new lines are essential in order to keep the service standard. Th anticipated spring demands are rapidly developing and with new business being added to the lines, Kellogg states that this work will be hurried to an early completion. The work involved will cost sixteen thousnd, six hundred fifty-seven dollars and ninety cents.

Sequoia Boys Win Championship

Sequoia's 130-pound basket ball team defeated the fast Berkeley quintet last Friday night by he score of 21 to 14. The game was close at all times and it was not until the last few minutes that the locals drew away from the Bay City lads.

This victory made the Sequoia five the champions of Northern California. It also gave the members of the winning team the right to wear gold basket balls. These emblems have been selected and will be presented at a rally in the near future.

Coach Griffin is to be congratulated for the turning out so many winnings teams for Sequoia.

INDUSTRIAL PROSPERITY HERE

Redwood City is sharing in the industrial prosperity now sweeping the country through the wise legislation and a conservative national administration. The National Magnesia Works of this city is working at full capacity which it has not done since the war. During the world war large orders were received and the plant worked night and day to fill all the orders in time. Car load lots of the product of the concern are being shipped every day. Large orders are being received from the east and middle west daily. The owners are contemplating enlarging the establishment to meet the demands now being made upon it. There are now seventy men on the payroll of the concern.

BUSINESS IS BOOMING

The business of the country "never has expanded with such suddenness and to such an extent as within the last few weeks." So says Postmaster General Harry S. New. He adds: "The truth is that the volume of business which has been committed to the Post Office Department has increased with such unheard-of rapidity that the Department has been taxed to the limit of and even beyond its capacity."

San Marino is a republic on the Italian peninsula, near the Adriatic coast. It contains about 38 square miles and has a population of 12,100. It is the oldest state in Europe and one of the smallest in the world.

AN APPEAL THAT PARENTS MUST HEED

Several appeals for assitance from the schools in stopping vandalism against California's beautiful trees, wild flowers and landscapes have reached this office recently. To anyone who has had opportunity to observe the wanton destruction of forests, the needless and senseless hacking of trees, the painting of rocks to advertise one's name or wares, the deliberate wrecking of beautiful redbud and redberry bushes, and the trampling down of golden poppies, wild pansies and other wild flowers, the situation cries for relief. It is apparent that the automobile enables great numbers of people who have never learned to love nature, to get into regions formerly inhabited or visited only by nature lovers. Lacking in love for trees and flowers, they turn to vandalism. The clean untouched landscape has no charm for them. The remedy for this tendency to desecration is the education of our young people to appreciate the beauties of God's out-of-doors. I, therefore, appeal to every teacher in California to spend some time each week during this beautiful California springtime in developing appreciation of the natural beauties of California and in training young people to respect and love the wonderful tree and flowers adorning the mountains, hills and valleys of our beloved state. We sing very heartily "I love you California." Let us translate that love into protection of the things that make California lovely.

Yours very truly,
WILL C. WOOD,
Superintendent of Public Instruction

THE SPICE OF LIFE

A little praise now and then comes as a pleasing variety to the editor, especially hen it comes unexpectedly and unsolicited from an organization as far away and as busy as the Shawnee Board of Commerce in Oklahoma, one of the livest boosting organizations in the mid-west. The following letter from that board was received by the editor this week and it is so seldom that anyone breaks forth into praise of an editor that he takes pride in publishing it.

Any doctor will tell you the health value of ICE!

The best method of conserving food is by means of cold, uniform temperature. Bacterial action is rapid in warm or changing temperatures; and even when deterioration is not apparent, much of the nutritive value of the food is lost.

During these Spring days, when temperature changes are rapid, ice is necessary. The safe way is to keep your refrigerator always well filled.

Ice is inexpensive and essential to good health. It doesn't pay to do without it at *any* time of the year.

Vice President Coolidge has designated Senator S. M. Shortridge with six other senators to represent the senate at the funeral of the late Senator Nichalson of Colorado, who died on Tuesday at Denver. Mr. Coolridge is a warm personal friend of Mr. Shortridge, often calling upon him to preside over the Senate, an honor seldom accorded a junior senator.

Bob Parker of Shanghai and Los Angeles, was entertained by friends at the family farm last week. Mr. Parker is as well known in China as he is in California. As a youth he went to China, where he engaged in business, accumulating a fortune in a few years. Recently returning to this country, he located in Los Angeles, buying a palatial home in the exclusive district of the City of Angels. There last year a baby came to bless the new home and bring smiles to the happy father. Mrs. Parker is a southern beauty, a leader of society and a charming entertainer. Mr. and Mrs. Parker with their wealth and affluence do much in alleviating the suffering of others and making many happy.

NOTICE TO THE PUBLIC

To Whom It May Concern:

A public hearing will be held in Room 401 Customhouse, corner of Washington and Battery streets, San Francisco, at 2 o'clock p. m., April 20, 1923, to consider the application of John Lyle Harrington for approval by the War Department of plans for the construction of a toll highway bridge across the San Francisco Bay about 26 miles southerly from the Ferry Building in San Francisco, and about 3-4 of a mile northerly from and approximately parallel to the Southern Pacific railroad bridge at Dumbarton Point.

Maps and drawings showing the type and location of the proposed structure will be on exhibition at Room 419 Customhouse, San Francisco, daily, during the regular office hours. Interested parties are invited to consult those maps and drawings.

While it is preferred that for accuracy of record, all important facts and arguments be submitted in writing, oral evidence will also be considered. All interested parties are invited to be present or to be represented at the hearing, and will be given an opportunity to be heard.

HEBERT DEAKYNE,
Colonel, Corps of Engineers.

RUNNYMEDE NOTES

Two plays, "Six Who Pass While the Lentils Boil," and "Overtures," werer well presented by a group of students from Sequoia Union High School Saturday evening as the main feature of the literary evening program. The other added numbers were also enjoyed. The vice-presidents of all the Runnymede organizations will arrange the next literary program, the proceeds to go to the purchase of school furnitnure.

The Girl Scouts with their mothers and friends met Friday afternoon at the auditoirum and enjoyed the talk on Scout work. The girls demonstrated some of their work and Miss Vaal Stark told of the plans for their summer camp at the Big Basin. Altogether there were about forty enjoyed the afternoon's program which was completed by refreshments and a social hour.

SERVICES AT THE CONGREGATIONAL CHURCH

The regular Easter services will be held in the Congregational church tomorrow. Junior Endeavor and Sunday School will be held at the usual morning hour and Senior Endeavor will meet at 6:45 p. m.

Rev. J. B. Silcox of Berkeley will preach at both the morning and evening services. Mr. Silcox has held a number of large pastorates of the country and although he is not actively engaged in pastorate work he is still called upon to fill the pulpits of California when the need arises. All who hear him may be assured of hearing a good message.

Knox's Easter Sale Ends Today

The big Pre-Easter sale which has been in progress at Knox's store during the last week and which was advertised in the Times-Gazette last issue will end at 8 o'clock tonight. The sale has proved very successful according to Mr. Knox, who attributes a large part of the success to effective advertising. A number of important changes have been made in the large department store and the management is anxious to have their customers step in and see what has been done. Mr. Knox has secured the services of an expert corsetiere and is anxious to have the ladies take advantage of this new addition to his service.

Littleton Pleads Not Guilty

Frederick N. Littleton, former naturalization examiner of the San Francisco district who was arrested on twenty-three charges of accepting bribes of aliens seeking to become American citizens and of changing the exemption papers of some who secured exemption in the draft as being aliens, has been released on $40,000 bale set by Federal Judge Partridge.

Littleton, who is well known here having frequently conducted examinations in citizenship before Judge Buck, entered a plea of not guilty last Wednesday. His attorneys asked a reduction in the bail, which had been set at $25,000, but it was raised by Judge Partridge to $40,000 instead.

departments of a great bank
Number ten of a series describing the organization back of the Bank of Italy

school savings department

The Bank of Italy established its School Savings System in California on August 8, 1911.

This institution leads the world in the development of this important economic movement — in number of depositors, amount of deposits, number of schools, and in territory covered weekly by special traveling representatives.

These men travel over 2,000 miles each week to serve the boys and girls of more than 500 California schools.

Over 40,000 children now have on deposit in this bank more than one million dollars.
